

WATER WISE TOUR

All Welcome!

Join us to discover and discuss how to use water more efficiently *and* improve our local waterways.

When: Saturday 7 November 2009

Time: 10 am to 12 pm

Meet: Ashbury Senior Citizens Centre, Princess Street, Ashbury

Please RSVP on 9748 9644 or sarah.kamarudin@strathfield.nsw.gov.au by Thursday 5 November 2009 as places are limited.

Spend some time in your local area visiting water wise sites. We will look at and discuss new solutions that have helped to improve our local waterways and learn from a local resident how other Sydney communities are involved in managing water in their local area.
